for story readings, insight on creating a character, steps of the
bookmaking process, and *The Spatz Rap*.

To order First Edition, Signed Copies of her children's books with a
personal message,
complete this form and return with payment by

_____.

Spatz: The Scratching Sound

The way Sherry developed the story makes me feel like I really know Spatz, and the illustrations are charming. The cover is so appealing that you can't help but pick the book up and look at it. This is a book that will appeal to kids and adults alike.

Nancy Wise, Managing Editor – Providence Publishing Corporation

Spatz was looking out the backdoor when a scratching sound reached his keen ears. The intelligent black, white, and brown Sheltie knew he had to track it down. "I have to go out," he barked. So begins the encounter of an exuberant Shetland Sheepdog with a distinctive scratching sound and its source, Gray Squirrel.

Spatz: The Best Parade Day

Based on actual events, *The Best Parade Day* showcases the importance of commemorating America's Independence Day and the way of life that makes it worth celebrating.

Foreword by Carl E. Mundy Jr. - General, U.S. Marine Corps (Ret.)

Nowhere is Independence Day celebrated quite as charmingly as in Lake Junaluska. People travel from all over to attend the annual parade, fireworks, concert, and patriotic ceremonies. But it's more that just fun and festivities, as Spatz learns in his latest adventure.
